### **About Myself**

First of all, Alhamdulillah, all the praise belongs to Allah who guided me from the path of dark ignorance into the path of light and Allah's pleasure. Since then gradually I was coming under the shade of Deen Al-Islam. So a lot of my personality traits have changed for the sake of Allah. I have many objectives in my life. One of them is to be a Da'ee (Caller to Islam). I am very interested in studying Hadiths. I see Islam as a complete code of life and try to follow and practice Islam to the best of my abilities - however I recognize my mistakes, try to learn and improve.
